

Chrome VI or Chromium Trioxide

May 14th, 2019

Kippenheim

1.REACH – European Chemicals Agency

In 2013, chromium trioxide has officially been added to the annex XIV list of REACH, which leads to a general prohibition of fabrication, supply and use of Chrome VI.

2. Authorization of supplier

According to the REACH regulation , every users of chroöium trioxide are obligated to notify the ECHA regarding their purchases and consumption.

Sunset date September 21th , 2017

3. What does this mean for us ?

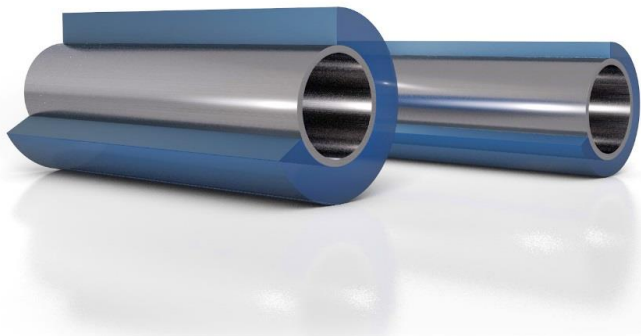

This means for us that a prolongation of 7 years is currently in voting at the european commission.

Expired date: September 21th , 2024

We need
to develop
alternative
solutions
