

Janoschka appoints new Chief Executive Officer

Kippenheim, 6 August 2019. Janoschka AG has expanded its group executive board in order to push ahead with the strategic development of the global prepress partner and the expansion of new business areas.

Janoschka AG has expanded its group management by one new member of the board, allowing it to place sustained focus on strategic issues and the development of new business areas.

Mr. Stefan Gutheil has superseded Alexander Janoschka as CEO and, as the new Chairman of the Board, has been supporting the group executive board since 1 August 2019 along with Alexander Janoschka and Fabian Naudascher (CFO).

Mr. Gutheil brings over 25 years' experience in the packaging industry, where he held overall responsibility for international, market-leading companies in the flexible packaging and paper converting industries.

Alexander Janoschka, board member of Janoschka AG, will in the future focus on expanding the recently established new subsidiary called Linked2Brands (www.linked.global).

"We are excited about our new team member and feel this brings us one step closer to our vision of being the most customer-oriented company in the industry. We see the growing market requirements as a key challenge that we can dedicate ourselves to, together with our extended management team," said Alexander Janoschka, executive board, Janoschka AG.

About Janoschka

Janoschka, headquartered in Kippenheim, Germany, has significant expertise in the prepress area and, with more than 1,600 employees plus an annual turnover of 97 million euros, is among the global market leaders in its sector. As a full service prepress provider Janoschka has a comprehensive product range and, based on a wide-ranging technical know-how and long-standing experience, offers printing tools for gravure and flexo printing, embossing rollers, artwork & reproduction, colour management, cylinder bases and much more besides. The company which was formed in 1976, and continues to be family-run, is represented globally through 25 subsidiaries in fifteen countries across Europe, Asia and South and Central America.
