

janoschka

We are hiring.

Artwork Project Coordinator (all)

Your Responsibilities:

- You will support our customers in both technical and commercial matters and ensure a comprehensive, service-oriented customer relationship.
- Planning, advising, and supporting customers on projects in consultation with the relevant internal departments.
- Monitoring project status regarding on-time delivery and quality.
- You will maintain and update customer's workflow system with all project-related information.
- You will negotiate and agree deadlines with our customers.

Your profile:

- Completed training as a media designer or equivalent training in the printing industry.
- Knowledge of packaging printing is an advantage.
- You enjoy working in a team, approach tasks independently and in a structured manner, and demonstrate organizational skills.
- You can communicate confidently in English.
- You show a customer-focused approach and a reliable and structured way of working.
